Work Experience

Graphic Designer

I Vape Great (IVG)

Jan 2025 - Present

My day to day tasks involve designing packaging and digital assets that will lead to increased sales and brand recognition.

I take on projects from concept to production and lead the design direction of that project.

Junior Graphic Designer

I Vape Great (IVG)

Jul 2024 - Jan 2025

Initially I assisted with design related tasks but quickly started leading projects of my own.

Origination Controller

BrandIMS (Brand Imaging Solutions)

Jan 2023 - Jul 2024

I was responsible for checking designs for printability and providing advice to customers in regards to the printing process.

Education

Bachelor of Arts - BA, Graphic Design

Grade: 2:1

About Me

Graphic Designer with 2+ years of experience in generating exciting ideas and designs to elevate sales and brand recognition. I personally love to learn new things and expand my knowledge in new areas such as learning motion graphics and 3D softwares (Adobe Dimensions, Blender). I work well within a team and also as a leader as I was in Scouts growing up and became a squad leader, guiding my team through various challenges.
